About RCR

Regina Cat Rescue (RCR) is a volunteer-run, non-profit organization.* We rescue stray and abandoned cats and kittens from the streets and maintain numerous feral cat colonies. We also educate the public on the importance of sterilization, responsible pet care and the benefits of well-maintained feral cat colonies.

Tame animals rescued by RCR are spayed or neutered, vaccinated, and placed into temporary foster care until permanent loving and responsible homes can be found. Feral cats are humanely trapped, sterilized and returned to their colonies, where they are given food, water and shelter.

*Charitable Registration # 8996 2599 ORR 0001

Get Involved

RCR depends on private donations, sponsorships, bequests, fundraising efforts and volunteers.

To help, you can:

- Adopt a pet
- Make a financial donation
- Be a corporate sponsor
- Become a member
- Volunteer
- Foster a cat or kitten
- Fundraise
- Donate cat food, litter and other items
- Tell your friends!
